A Member of the G. A. R. I'm a momber of the G. A. R. In war I'm away off far ; But in times of peace My courage will increase, And I'm as fierce as a wild ti-gar. I'm a member of the G. A. Rers.; I've got less brains than lips, And I shoot off my mouth at the solid South Whenever opportunity permits.
When the war went on I didn't shoot, But stole the cash for a substitute. I'm afraid to fight, but never to talk. In peace I bluff, in war I walk ; I cat baked besns and steal when I wants, And so do my sisters and my cousins and my

Modesty.

And what is modesty? It is a holding back, while Hal and Jack Their ready hands reach out and seize the pic, The longed for cake, the very last meringue, And leave an empty plate. It is to stand In cars propelled by steam, or equine drawn, Both hands and feet tight braced, and tuggling

strap, While others sit at ease; nor never ask, Kind sir, or madam, please, will you move up In space sufficient for your body's need, And leave the rest for me? it is to stand By window where the crowd, the cheeky crowd, Press eager on in calm, relentless surge, And seatings choose yourself had fixed upon. It is to be doomed ever to back seat, The cold, unfeeling wall, aye, to be pressed. To take without complaint all others' mud, Their dirt and dust. This, this is modesty. - | Boston Transcript.

jan 23 MEDICINAL.

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Hesdache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MER-RELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty locking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made cerdiseases and Liver complaint is made certain by taking Hepatine in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatine at the same price. For sale by all Druggists. PRICE 25c and \$1.

LUNGS
The fatality of Consumption or Throat and The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupedes as the work of death goes on. \$10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured people who are living to-day with one remaining lung. No greater wrong can be remaining lung. No greater wrong can be done than to say than Consumption is incurable. The GLORE FLOWER COUGH SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all discuses of the throat and lungs. Road the testimonials of the Hon. Alex. H. Stephens and others in our book-free to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. PRICE 25c and \$1.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGIT is the only medicine upon which a hope of recovery from Scrolula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. \$10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and barmless can be found in it.
